

Environmental Policy

Carrow Medical Limited recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods, with regular review points. We will encourage our customers and suppliers to do the same.

On an ongoing basis, we will:

Comply with all relevant regulatory requirements to continually improve and reduce our environmental impact.

Minimize the use of paper, packaging and single use plastics, and recycle wherever possible.

Seek to reduce the amount of energy used and continue to use renewable energy sources.

Reduce the need to travel, using alternatives such as e-mail or video/phone conferencing.

Use a delivery courier certified to ISO14001.

Review this policy annually, or whenever circumstances dictate.

Provide ANY staff with relevant environmental training.
